would not be beneficial on campus. Allison Scaia also raised the question about insurance and travel expenses.

- iii. March of Dimes: The presentation was very well organized, but we are wondering if it is campus-based or Springfield based. Lauren B. asked if there would be any way they could join with Circle K. However, we did recognize that using community-based clubs is a great way to bridge the Wittenberg and Springfield communities and have Wittenberg Students work with Springfield leaders. Zach asked that, since we have over 140 clubs at this time, would there be a way to restructure and organize our clubs to fit under more general headings?
